SUBJECT: BELGIAN VIEWS OF UNSC RESOLUTION 1695

REF: SECSTATE 146316

Classified By: Political Counselor Ted Andrews, Reasons 1.4 (b) and (d)

(C) The Belgian government is moving energetically to implement UNSCR 1695, according to MFA Nonproliferation Division Director Bauwens. Immediately after the resolution's passage, the MFA alerted the Customs Service and the regional trade bodies responsible for implementing many export control regulations, urging them to give extra scrutiny to DPRK-bound shipments. Bauwens said the MFA has received excellent cooperation on this matter, not least because anything that "smells of North Korea" already receives a lot of attention. Korologos
